Chairman's Message

About now you will have in your hands the Club's Annual Report and Balance Sheet. Without going into individual details I think you will agree that it clearly shows we have enjoyed yet another twelve months' period characterized by consolidation and progress.

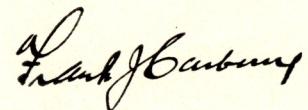

This gives me a great deal of personal pleasure and satisfaction — not necessarily because I have served on your committee for this is another question — but because even this comparatively small segment in our history shows we are continuing a growth pattern which began more than one hundred years ago.

Each year since that far-off time, we have taken a step towards greater maturity; to better service, better facilities, more prestige or one or other of the many attributes which go to make up an outstanding Club of international repute and individual and unique character.

During some of these years we have taken bigger and more dramatic strides; during others they have been smaller and less spectacular but always our march has been forward towards greater growth and development.

This is as it should be for without progress stagnation is inevitable and we have all seen examples of how such a condition saps vigour and robs vitality in both the club world and commercial spheres alike.

So the satisfaction I feel with the fact that the year just completed has been a successful one must be typical of that felt by every member who regards it as the subject for pride.

OLD FRIEND ON VISIT

Amongst the many racing men who came to Sydney for the Autumn Carnival was our old friend Jack Vuleta. Jack hails from our sister dominion, New Zealand, and is a frequent visitor to our country. He has made many friends in Tattersall's and it is always a great pleasure to have him with us. Nice to see you Jack. We all hope you had some good fortune at Randwick and will be looking out for you in the near future when we're confident you'll be paying us a visit once again.

YOU CAN BE UNLUCKY!

A member, who is perforce nameless because of the simple fact that we were unable to find out his name, really took the bull by the horns recently and did what I'm sure many of us must often have been tempted to do in a desperate effort to get a winner up at any cost. He backed eleven horses in the one race. To those who might say this is a foolish practice, we can report that he did in fact get a winner up and at the really mouth-watering price of forty to one. But despite this Lady Luck still steadfastly refused to smile on him and when the credit and the debit were balanced the result was that he lost eight pounds on the race. That's the kind of thing which makes the average punter lose heart.

LUCKY WINNERS

Sam Block and Bill Kirwan are great old buddies and hardly a day goes by that they don't join together in friendly rivalry on the handball court. On the result of these tussles there always rests a lottery ticket. That's why, when Bill found out recently that all the tickets in a certain event of chance connected with the Sports of Kings had been sold, Sam offered him a half interest in those he held. Bill gratefully accepted and when the numbers went up Bill and Sam found themselves jointly richer by £250. A well deserved win and we couldn't think of two nicer guys to collect it. We got the details of this story from Sam just as he was walking out of the Club one day with an armful of parcels. It turned out that these were presents for various friends and relations to celebrate his win. A quick mental calculation revealed that after subtracting the price of the presents Sam had exactly twenty pounds fifteen left out of his £125 share of the prize.

THE CHIEF TO GO WALKABOUT

Fred, better known as the "Chief," Vockler, colourful member and popular paddock fielder, has decided to go walkabout. He leaves during this month, on doctor's orders, for a vacation in England and the Continent which could extend up to six months if the mood takes him. The Chief plans to leave on the Northern Star and more or less let nature take its course. We don't know whether it helped in the Chief's decision but he and his son, Fred Junior, won second prize in the £30,000 lottery a couple of months back. But be that as it may, the £2,500, which represents the Chief's share, should provide some extra spending money. Have a happy trip Chief. We'll miss you while you're gone and will look forward to seeing you again on your return.

* * *

BACK IN BUSINESS

It's our pleasure to report that Clive Arnott, well known Film executive, is now "back in business" again after his recent illness. As regular readers of this column, together with anyone in the film business, will know, Clive suffered a rather severe heart complaint recently and has naturally not been the best for some time. Nice to see you around again, Clive. May we, your fellow members, wish you excellent health for the future.

* * *

LOTTERY WIN

Ex-committeeman Ken Fidden has been for some time a pretty regular investor in the various State lotteries but, up to last month at least, without much success. Lady Luck turned his way at last however, and a ticket which Ken shared with his family, won second prize in the £6,000 size event. A nice win, Ken, and now that you're pointed in the right direction we hope you go on to bigger and better prizes in the future.

CHARITY AWARD

The many Club members who gave donations to the Spastic Centre through Anne Croft, daughter of our well known member, Dr. Roy Croft, during the recent Miss Australia Quest, will be interested to know that she raised a record amount for that very worthy charity. The sum in question was £776 and represented the largest amount collected by an un-sponsored entrant. Last month, at the official opening of the 1963 Miss Australia Quest, the Spastic Centre presented Anne with a very beautiful tray suitably engraved. This was in appreciation of her outstanding effort and was a very just reward for the enthusiasm and work she put into the drive. Through your father we here at Tattersall's heartily congratulate you Anne and are sure you must have derived a great deal of satisfaction from knowing you were materially assisting so deserving a cause.

LIFE MEMBERS GET TOGETHER

It was a happy occasion for two of our life members, Arthur Miller (left) and Bill Sellen, when they got together for a quiet drink recently. It was certainly a case of the "old and the new" for they met at the cocktail party to welcome new members.

Keen Interest in Camera Club

Response to our paragraph last month, which asked those interested in forming a Tattersall's Camera Club to get in touch with our Secretary, has been excellent. Several members have sent their names in and expressed keen interest in the idea. They are anxious to get started as soon as possible so if there are any other members who would like to participate in such a group would you please give your name to Lyal Binns as soon as possible. We will then see that an initial meeting is arranged so that a committee can be elected and an organization set up.

WHEN CARBERRY MEETS CARBERRY

It was a real pleasure to have as a guest of the Club last month Bill Carberry from our affiliated Club, the Olympic, in San Francisco. Bill was making a trip to our city and came in to meet his namesake, Chairman Frank Carberry. Committeeman Alf Collins did the honours and both Frank and Bill enjoyed a pleasant chat together. Nice to have you with us Bill. We hope you enjoyed your stay and we look forward to seeing you again when you come to our country.

* * *

TRIPLE CONGRATULATIONS

Our sincere congratulations go to three of our members who are now associated with probably the largest building and development project in the history of our city. We refer of course, to Messrs. Chapman, Clark and Wallace, all of whom are directors of the construction firm of James Wallace, the organization which won the contract for the Rocks Development Project. This is a mammoth undertaking which will materially change the face of Sydney and as such places a great weight of responsibility on the shoulders of those who will control it. That this firm has been selected is a great tribute to our three members and a compliment to their ability and integrity.

BIRTHDAY CELEBRATION

It is always a great pleasure to see new members of Tattersall's making the most of the Club and Ray Bowcock is one who did not let the grass grow under his feet in this direction. Ray, known to most members interested in the Sport of Kings as the Stud Master of Alabama Stud, celebrated his birthday with a party in the dining room last month. Nice to see you with us Ray and may we take this opportunity of wishing you many more occasions of celebration with Tattersall's.

OFF TO THE JUNGLE

By the time this item reaches print, member Stan Moriarty will be deep in the wilds of New Guinea. Stan, well known to us as managing director of Snap Ads, is not so well known as a keen anthropologist. He is a member of the Anthropological Society of N.S.W. and a private collector of native artifacts. Stan feels that a country such as New Guinea has much to offer along these lines and is looking forward to his stay of approximately six months. We all wish you a happy, successful and instructive trip Stan and will be looking forward to seeing you (and perhaps hearing from you with something for T.C.M.) in due course.

CORRECTION

We recently wrote a paragraph congratulating Mr. R. W. Norman on his appointment as Deputy Chairman of the Bank of New South Wales. While the congratulations were certainly in order the title we gave Mr. Norman was not. He was in fact appointed Deputy General Manager. We apologise for our error Mr. Norman and once again wish you well in your new post.

LIONEL BACK FROM HOLIDAYS

Missed on the first floor last month was our redoubtable steward Lionel Pearce. Lionel went on three weeks' well deserved vacation and came back looking as though he had had an excellent time which in truth he had. He spent some of his stay away on Toukley Lake fishing with, he informs us, only mixed success. The rest of the time he spent on the Southern Highlands where the weather treated him and his wife Kath kindly. Good to see you back, Lionel.

* * *

SAW GRAND NATIONAL

Member J. F. Williamson wrote us a very welcome note from England recently to let us know of his activities. While at the time of writing he was having a very enjoyable trip, the British weather was not doing very much to help, and his hope was that it would clear up a little to resemble more closely our Australian climate. However, his visit to see the Grand National compensated in some degree for the local climatic shortcomings. We all wish you a very happy continuation of your tour and will look forward to seeing you back in due course.

NEWS OF PAT PORTER

Adequately loquacious in person our very good friend and member, Pat Porter, doesn't seem to be equally so in print since he left a couple of months ago on his world tour. However, two postcards are to hand; one to Bill Sellen and one to Alf Collins. Rome and Hamburg were the respective datelines but Pat's itinerary was a pretty full one and by the time this reaches print he will be well on the way from there. The news common to both cards was that both Pat and his wife, who is accompanying him on the trip, were having a wonderful time. All here at Tattersall's are delighted to hear it and sincerely hope that the remainder of their tour will be equally enjoyable.

APPRECIATION

Our Chairman received a very appreciative note from British aviation executive E. P. Hessey, last month. Says Mr. Hessey: "I am writing to thank you for your kindness in making me a Visiting Member of Tattersall's Club during my recent visit to Australia. I am very highly honoured by your gesture and much appreciate the kindness and consideration shown me during my all too brief visit." It was certainly a great pleasure to have you with us Mr. Hessey and we will all look forward to seeing you again in the future.

R.A.S. CHAMPIONS

Our members featured largely in the Thoroughbreds section at the recent Royal Easter Show. Amongst those who took awards were Lionel Israel with his brown colt by Pirate King (imp.) out of Malvern Belle. With it he won the Yearling Colt and the Champion Stallion sections. Lionel also took out the award for the Reserve Champion Mare with his entry, Persuasion. However, it was member and S.T.C. Chairman, Bill Longworth, who dominated this section with his famous Wenona Girl. She easily took out the Champion Mare award and topped this off by being judged Supreme Champion and Best Exhibit. Hearty congratulations, gentlemen.

VALE! GEORGE CHIENE
 Last month saw the passing of Club identity, George Chiene, a blow which saddened all members but particularly those who have been connected with Tattersall's for some time. During his lifetime George gave much to Tattersall's and served on our Committee for over twenty-five years. A well known runner and footballer in his younger days George became an authority on racing later in life and was an accepted expert on the history of the Turf. His death will leave a gap which will never be filled in our Club for we have lost a good friend, a staunch clubman and a fine sportsman.

HONEYMOON

It's always a pleasure to see Clyde Waterman in our city, but it was doubly so last month, for Clyde was here on his honeymoon. Hearty congratulations on your marriage, Clyde, from all at Tattersall's. We hope both you and your bride enjoyed your stay in Sydney and that it is the start of many years of happiness for you both.

Extraordinary Racing Picture

Described by veteran newsmen as the most extraordinary racing picture ever taken the shot reproduced above is of the finish of the Glenferrie Handicap in 1937. In it every one of the seven horses has all four feet off the ground. The odds of a camera ever picking up such a shot must be fantastic. The horses in order of finishing are: Gold Streak, Sidcup (on rails), Hostile, Miss Burn, Karman, Brimboal and Frill Prince.

Australia's Glamour Two-year-old

Down the years Australia has had notable two-year-olds, winners of many thousands in prizemoney, and latest glamour youngster, Australia's champion Pago Pago, has added his name to the growing list. His striking run of successes culminating with his brilliant victory in STC's Golden Slipper Stakes at Rosehill, brought earnings to £16,715.

So far as stakemoney is concerned, his figures compare favourably with other top two-year-olds of their years. Fine and Dandy won

£19,024; Tulloch, £18,478; Mollison, £17,343; and Wenona Girl, £16,415. Latest Golden Slipper was worth £6,765.

For the benefit of racing minded Club members it will interest to note that Adelaide's champion is by Matrice, a brilliant miler in his time, and winner of 27 races and £27,415 in stakes. Successes included the Cantala Stakes and Linlithgow Stakes (twice).

Matrice's oldest progeny are now three years. He has sired many winners, mainly in South Australia. Pago Pago has brought his name into prominence. The colt has proved a bargain of the sale ring. He is from Pompilia by Abbot's Fell (imp.) from Pagan Queen by Talking from Certes by Silverado (imp.) from Bravery by St. Alwyne (imp.) Pompilia will be remembered for her wins on Sydney courses including Randwick. Apple Bay (Doomben Ten Thousand), and Apple Jack (Maribyrnong Plate), figure in the pedigree which indicates a mixture of sprinting and staying blood. It will be interesting to see how Pago Pago develops as a 3-year-old.

**"We plan to be in
business in 1973" . . .**
says the "Chair-man"

That's 10 years' time.

That's how long we guarantee Sebel furniture for, structurally.

Chairs can get a lot of use and abuse in 10 years. They have to be extra strong if they're Sebel chairs, as otherwise we'd be in real trouble before 1973.

Which is the main reason we take so much care in designing our products. Not only do we have to be worried about such things as good looks and comfort and price, but we have to make sure that the *internal* construction is right, so that it won't let you—and us—down for a long, long time.

Every one of the wide range of Sebel chairs has this extra durability built in. You need it, and so do we!

Harry Sebel **"CHAIR-MAN"**

If you're thinking of buying a quantity of chairs or tables for a hall, club, hotel, etc., perhaps you'd better ask us for a copy of our quantity price list.

Also ask for the Sebel 44-page catalogue, and the most informative "Complete Chair Manual."

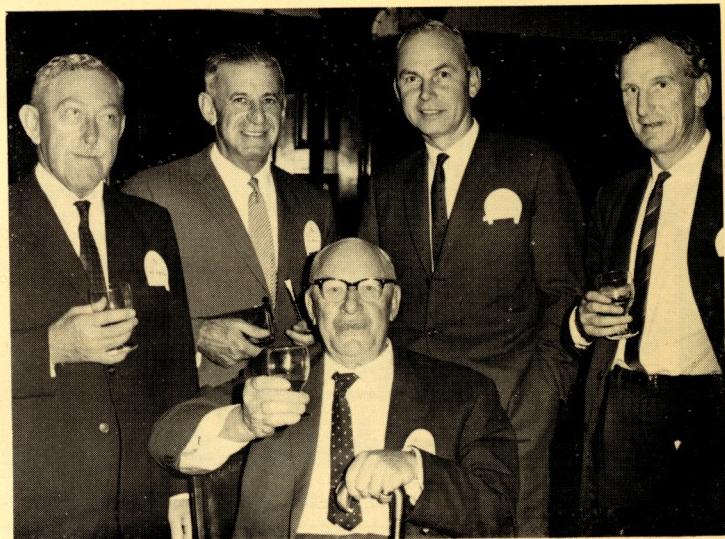

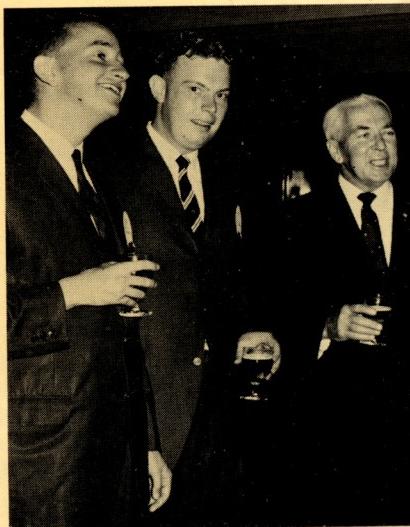

Sebel chairs are most economically priced. For 200 or more, you can buy Utility Stak-a-Bye chairs for £2/4/-. Other chairs in the Sebel range cost £5/8/7 for the Saratoga; for top-quality installations, the Celebrity costs £6/14/4 (Sales Tax extra).

Cocktail Party to Welcome New

members

Once again it was our very great pleasure to officially welcome our new members to Tattersall's with a cocktail party. To those attending it represented the official end to a long wait to join our numbers and in consequence it was a most happy occasion. Our newcomers were delighted with proceedings and the opportunity of meeting both our Committeemen and their fellow new members. Chairman Frank Carberry addressed the gathering and offered a warm welcome to all present. He expressed the hope that their stay with us would be a happy and long one and that the Club would be all they had been led to expect.

While our photographer took as many groups as possible he could not be sure of getting everyone. The photographs reproduced above therefore are representative and while it would be impractical to designate them all we would like to make special mention of the one directly above. In this is shown our Chairman with new members who are sons of members and to whom a special welcome is offered.

Point Score to Terry Forrest

Terry Forrest showed during the month that he had recovered fully from his early season bout of illness by taking out the Point Score and by swimming splendid races of 20.9 seconds twice.

Last season he won a couple of Point Scores but early this season the odds were dead against his taking one this time. However during the past couple of months he has swept right back into form and after taking third place in the February - March series he won the March-April series narrowly despite the fact that he arrived too late for the final of one event.

The past few months have seen some sterling tussles between Ralph Corrick and Jim Comans as they finished second and third in the March-April series and at time of writing they were level on top in the current Point Score, well ahead of the field.

Ralph is very keen on landing the trophy as he leaves these shores for a trip abroad soon. He's promised to bring back a bottle of sake from Japan to fill the pewter pot if he wins and we'd like to have a bit on him. His keenest rival, Jim Comans, would dearly like to see Ralph win.

There were some good swims in recent weeks, best of them being 17.9 John Devitt, 18.5 and 18.9 David Emmanuel, 19.6 Ken Humphery, 20.4 Carl Phillips and 20.9 (twice) Terry Forrest.

The boys who swam so well that they were lowered in handicaps were Jim Comans and Terry Forrest.

Fred Harvie has been well in the news recently, and the boys certainly enjoyed seeing his press photos in August company at the opening of the new R.M.Y.C. of which Fred is Commodore.

Fred was sighted not so long ago scooting round Bondi Beach in his speedy motor boat. It was a grand sight but the local fishermen weren't so happy as they reckon Fred scared the fish away.

Great excitement in the Pool soon after Doncaster Day when it became known that popular Starter Sam Block had drawn first horse in Tattersall's Club Sweep. Not only that, but he also drew a horse.

The boys were tickled to death and as one of them put it, "It couldn't have happened to a nicer bloke unless it had been me."

Missing from the racing lately has been last season's "Native Son" trophy winner, Les Bear, whose back has been playing up. Wisely, Les has decided to give it a rest for a while but it's safe to say that he will be back in harness as soon as possible. During the past few seasons Les has hardly missed a race.

New member A. Hickey was a welcome started in a few races and though he is on a long mark at present it won't be long before he improves a lot especially when he gets the hang of starting smartly.

Not the least of the Swimming Club enthusiasts are some who never race but get a great kick out of watching and mixing with the boys. We have mentioned most of them from time to time and latest to come under notice is Frank Winn, boss of Winn's Friendly Stores. Frank became a member of Tattersall's just before Christmas and, believe us, he does enjoy his break in the Pool at luncheon time. Recently his son Phillip, returned from abroad and was nominated as a member.

The struggle between John Dexter Junior and Ken Humphery for the "Native Son" trophy continues to be one of the most interesting features of the season. John has the edge on his rival and a month ago he had 5½ points on Ken but the latter won't give in and at time of writing he had reduced the leeway to one point.

With about three months to go to the end of the season much can happen and it may be that Jim Comans will challenge both of them for supremacy. During the last month Jim has crept up from twenty-three points behind the leader to only eleven and a half points.

Morrissey 'C' Grade Champ

With a hard-fought and well-deserved victory over Ron Spencer, David Morrissey became the Handball Club "C" Grade Champion last month. Arthur O'Connor established himself as the most improved player of the season and some excellent matches were played in the Good Idea Trophy.

David Morrissey won the C Grade Final with a fine victory over Ron Spencer. His was a very good match indeed. The scores were 21/14, 21/18 in David's favour. It was a tough match from the beginning and although David was the winner, Ron put up a very good show and went down with flying colours. Congratulations David for a very nice win.

This ended the series of Championship Matches with the winners being:-

A Grade.	Bruce Galea.
B Grade.	Syd Kay.
C Grade.	David Morrissey.

Sam Block was the official umpire at all of these matches. He did a marvellous job and to you Sam goes the best wished and thanks of all the competitors.

Arthur O'Connor emerged from this series as the most improved player of the season and he well deserved this honour. Arthur playing in his first season improved from a real novice player to reach the Semi Finals of the C Grade Championships being defeated by David Morrissey who eventually won the C Grade Championship. Congratulations Arthur and may you continue to improve.

These events concluded our season for 1962-1963.

This Competition which is a handicap knock out event is now well on the way and many matches have been played. The results are as follows:-

BRUCE CAMERON	defeated	BRUCE PARTRIDGE	41-39
E. COMRIE THOMSON	"	ARTHUR O'CONNOR	41-33
MALCOLM FULLER	"	STAN HEATON	41-28
LEIGH BOWES	"	DAVID KEATING	41-36
ROBERT LIPMAN	"	CHARLES COPPA	41-28
GEOFF CLIFTON SMITH	"	JOHN DEVITT	41-34
KEN GLASS	"	ALICK DAVIS	41-37
KEITH DOYLE	"	NEIL BARRETT	41-22

The most exciting match was the match between Cameron and Partridge. The Handicaps were Partridge -5, Cameron +25, and the total 41 up. Thus Partridge had to score 46 points whilst Cameron scored 16 points. Well the excitement was intense. Cameron kept getting some impossible returns back to keep the game alive and Partridge gradually kept on gaining on him. He could not however just make it and went down by a mere 2 points. The final scores being Cameron 41, Partridge 39. This was a remarkable effort by Bruce Cameron and he deserves our congratulations.

Geoff Clifton-Smith defeated John Devitt 41-34 after a very even match. Geoff kept picking up a point every

now and again and ran out as the winner by 7 points.

Ken Glass and Alick Davis also had a good match. Ken can always be depended upon to turn on an attractive display. Alick was in just the form to make him do his best. Scores commenced at Glass scratch and Davis +6. It was a ding dong go with Ken winning 41-37.

Malcolm Fuller defeated Stan Heaton 41-28. Malcolm always believes in hitting the bass as though he "hates it" and if his opponent lets up at any time he usually receives a real drubbing. Stan was not perturbed in any way whatever and more than held his own in many rallies. However Malcolm was much too strong and won easily by 41-28.

Bad Weather Hits Section

Once again this month we got a bad deal in the Bowling section. What with green space at Double Bay being at a premium and bad weather we certainly had a lean month. Then when we were all set for a big day at the end of the month along came Anzac Day on a Thursday and another good day was lost. Any way Anzac Day was wet as usual so we got a double dose of no play.

One bright spot was our game against Ashfield in the Ashfield Trophy. In this event the four teams that beat Ashfield by the biggest margin play off for the Ashfield Trophy.

Last year we were beaten by St. George in the final. With a winning margin of 37 shots we are the highest qualifiers.

Jack Kellaway's team with John Mc-Kell lead, Charlie Cohen and Bill Sinclair had the biggest winning margin of 20 shots.

Ken Ranger with Gordon Booth, Ken Williams, Bill Munro, won by 10 shots and Ron Relton with Alick Buckle, Bert Levey, Rus Bailey won by 7 shots.

This is the third year we have been in the four qualifiers, being beaten in the semi-final two years' ago, in the final last year, so this could be the year.

The President and the committee are a little concerned at the poor attendances since the beginning of the year. No doubt the weather has had a lot to do with it. Also one is likely to get away from attending by so many disappointing cancellations due to the weather.

A big effort is to be made in May to get the Bowling strength back to where it was last year. Green space will be available as the new green at Double Bay opens the first week in May. So make it a must each Thursday and attend regularly and put the Bowling Section back on the high plane of former years.

Omitted from last month's trophy winners: On March 14th, Dr. Fuz Porter, Len Catts, Bill McKay.

We will not be seeing much of Bill Munro or Bill McKay at our Thursday games in the future. Both Bills have taken country travelling jobs with leading whisky firms. Bill Munro is doing the West and Bill McKay is doing the North. Tatt's members wish them every success in their new venture.
